COMMUNITY CENTRE COMPLETION CAMPAIGN

Campaign Reaches 60% Of Objective As Workers Mobilize For Blitz This Sunday Morning

TALMUD TORAH DIVISION PLAYS MAJOR ROLE

The Campaign General Chairman and the Officers of the Talmud Torah Division meet to lay plans for the most effective way to cover prospects in their group. Seated left to right: Abraham H. Lieff, Q.C., President, Agudath Israel Congregation; Michael Greenberg, Division Chairman. Standing left to right: Samuel Kixell, Division Vice-Chairman; A. Louis Achbar, General Campaign Chairman; Harold N. Pearl, Division Vice-Chairman.

Returns pouring in from all Divisions have boosted pledges to the current Community Centre Completion Campaign to \$301,984.00 according to an announcement by A. Louis Achbar, General Chairman of the Campaign. Figures for the 557 contributions reported to date show an increase of \$80,259.00 when compared to the giving of the same group of individuals in the last Building Fund Campaign held in 1953.

Roughly 60% of the objective has been reached as this issue goes to press. Workers with cards in their possession are making an all-out effort to complete their calls on prospects by the end of this week. Any cards which are not covered will be canvassed during the Blitz of some 500 homes this Sunday morning.

The \$500,000.00 campaign payable over a five-year period was launched in mid-November for the purpose of raising sufficient funds to build new Central and West End Talmud Torahs, to complete the Gymnasium and the balance of Community Centre activity facilities.

A wave of enthusiasm swept the community as the seven operating divisions got into high gear. Over two hundred committee members were recruited and by the time the campaign is completed will over three hundred members of the community will have been directly involved in the work.

Suggested assessment figures were established for every prospect and many meetings were held to plan the 19 separate parlour meetings, luncheons, dinners and

community breakfast which were subsequently held at the divisional level.

The Campaign Committee feels that the encouraging progress to date is an indication of the complete acceptance of the campaign and its objectives by members of this community.

The results have been up to expectations because those who have attended the various affairs, have fulfilled their obligations by accepting and in many cases exceeding the suggested assessment figure set for each contributor.

Notwithstanding the initial results, the Campaign Committee warns against complacency because it recognizes that a great deal must still be done before the campaign can be declared a success. The appeal cannot be closed until every member of the community will have done his full share.

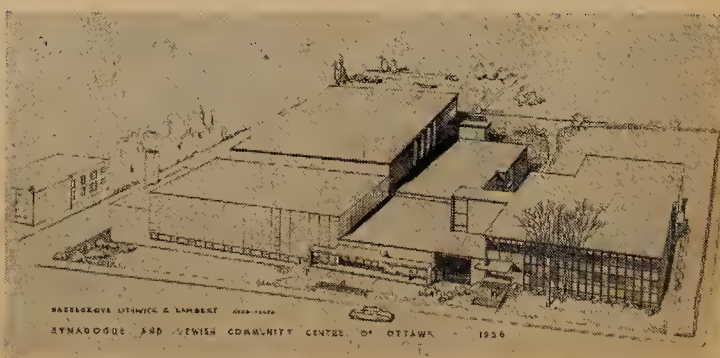

Remember that this is the one local project involving every member of every family in every section of Ottawa in a very personal way. If we do not succeed, the responsibility will be ours alone.

REVIEW LATEST CAMPAIGN REPORTS

A. Louis Achbar, General Chairman is shown reviewing the latest reports on the progress of the Community Centre Completion Campaign with Bertram I. Loeb, Chairman, Publicity Committee and Harry Kotlorsky, Chairman, Public Service Division.

Contributors to Meet Thursday January 30

A Special General Meeting of Contributors has been called for Thursday evening, January 30, it was announced today by Bernard M. Alexander, Q.C., President of the Jewish Community Centre.

The meeting is being held in accordance with a resolution adopted at the Annual General Meeting of Contributors which took place on June 25, 1957.

This resolution authorized the Board to plan and conduct a five-year campaign for the purpose of raising sufficient funds to construct new Central and West End Talmud Torahs and to complete the gymnasium and other Centre facilities.

It also authorized the Board to devise ways and means of financing the said construction having regard to the results of the campaign and the debt which might exist at the end of 1957.

Furthermore, the resolution called for a Special General Meeting upon conclusion of the campaign and before making any commitments for construction, and in any event, not later than January 31, 1958 for the purpose of reviewing the results of the Campaign, the financial situation at that time and to determine the course of future action.

The meeting to be held on January 30 at the Jewish Community Centre will concern itself with these matters. Contributors are asked to reserve the date and to make every effort to be present.

Day School Graduation January 26

The Second Graduation Exercises of the Ottawa Hebrew Day School will take place on Sunday evening, January 26 at 8:30 p.m., in the Main Auditorium on the Jewish Community Centre.

The twelve graduates have completed an eight year course of basic Jewish and secular studies. All of them now attend various high schools in the city where they are regarded amongst the best pupils. The graduates continue their Hebrew studies in the High School Department of the Talmud Torah two evenings a week.

The graduates are Rickey Addelman, Gloria Appotive, Laya Bessin, Melvyn Borenstein, Mark Dunsiger, Ian Feller, Fred Gaffen, Sylvia Levinson, Irwin Lithwick, Barry Litwack, Judy Sadavoy and Corinne Schechter.

Parents and friends are cordially invited to attend the Graduation Exercises, details of which will be announced in due course.

Talmud Torah Regrets Omission

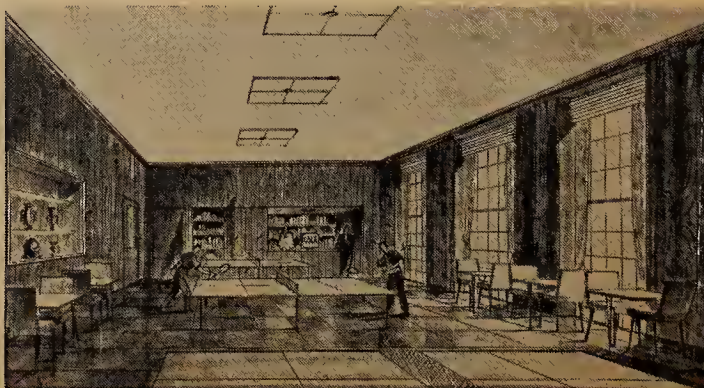

The Talmud Torah Board regrets the inadvertent omission of the name of Mr. Oscar Petigorsky from the list of members of the Talmud Torah contained in the Rabbi Boruch Kravetz Memorial Booklet issued on the occasion of the unveiling of the headstone.

HOLD MANY COMMITTEE SESSIONS

Part of the group attending one of the numerous Campaign Executive Committee meetings pauses to consider an important point made by a fellow worker. Seated left to right: Hyman Bessin, Chairman, General Convass Division; A. Louis Achbar; Dr. Irving I. Betcherman, Chairman, Young Men's Division. Standing: Hy Hochberg, Centre Executive Director.

SOME QUESTIONS AND ANSWERS ABOUT THE 4C CAMPAIGN

- Q.** How was the quota of \$500,000. established?
- A.** This is the estimated cost of the four component parts of the building program broken down as follows: Central Talmud Torah, \$150,000; West End Talmud Torah, \$150,000. Completion of Gymnasium, \$100,000; Completion of balance of Community Centre facilities, \$100,000.
- Q.** How long do I have to pay my pledge?
- A.** Pledges to the Campaign are payable over a five-year period, with the first instalment due in 1958.
- Q.** How soon do you expect to build?
- A.** This will depend on the success of the campaign and our ability to finance construction. Assuming that conditions are right, plans could be completed and a contract awarded during the first half of 1958.
- Q.** Is there to be any priority in construction?
- A.** Construction of all units will begin simultaneously if the campaign objective is reached and financing can be arranged.
- Q.** Are any plans being prepared now?
- A.** The architects are completing working plans and specifications so that there will be no delay once the campaign is brought to a successful conclusion.
- Q.** As a resident of the West End, I subscribed to the West End Synagogue Campaign held recently. Am I still expected to give to the 4C Campaign?
- A.** The contribution which you gave to the West End Synagogue was for the express purpose of helping to build the Synagogue portion of a new building which will serve the residents of that area. The 4C Campaign on the other hand seeks to raise sufficient funds to build new communal Talmud Torahs in the downtown area and in the West End (which for economy reasons will be housed under the same roof as the Synagogue) as well as recreational and other communal facilities which will complete the Jewish Community Centre. Every member of the Ottawa Jewish Community will use the new buildings. The responsibility, therefore, rests with every individual, regardless of where he may reside.
- Q.** How much shall I give?
- A.** In order for the campaign to reach its objective, you are asked to give the suggested assessment figure which has been established for everyone in the community. Remember, that this is the one local project involving every member of every family in every section of Ottawa in a very personal way. If we do not succeed, the responsibility will be ours alone.

Begin New Series of Hebrew Courses at Centre

A new Series of Courses in Elementary and Advanced Hebrew was initiated this week under the joint sponsorship of the Hebrew Culture Organization (Chug Ivri — Keren Hatarbut) and the Adult Program Committee of the Jewish Community Centre.

Similar courses have been in existence at the Agudath Israel Synagogue for the past few seasons under Mrs. Zev Vered and will continue to meet every Thursday night.

Three Classes in Operation

The two Elementary and one Advanced Class which have been organized now will meet at the Jewish Community Centre on separate evenings each week for twelve consecutive sessions ending the last week of March.

Beginners had the choice of selecting either the Tuesday or Wednesday evening class. Those who already have a basic knowledge of Hebrew formed the Advanced Course which convenes on Thursday night. All classes extend over a two hour period beginning at 8:15 p.m.

The current series of Hebrew courses is part of a nation-wide movement designed to give as many people as possible a basic knowledge of the spoken and written language during the year of the Tenth Anniversary of Israel's Independence.

New Instructional Method

The new instructional method which is used will enable beginners to read, write and carry on a simple Hebrew conversation at the end of a three month period. At least five hundred basic terms are included in the vocabulary. This new system has been employed with great success in the Upanim schools for recent arrivals in Israel.

Mr. and Mrs. Sinai Frenkel, members of the teaching staff of the Talmud Torah are the instructors. Both are native-born Israelis who have had considerable training and experience in the Upanim method. Mr. Frenkel will teach on Tuesday and Thursday nights, while his wife will handle the Wednesday evening group.

Still Have Room

The registration fee for the course is \$5.00 which includes tuition and books. There is still room for a few additional students. Anyone interested can enroll by attending the evening of his choice during the coming week. Further information can be obtained from Emanuel Goldberg or Sinai Frenkel at CE 4-3377 or the Jewish Community Centre, CE 5-7258.

The Joint Sponsoring Committee of the project is composed of the following:

Harry Greenblatt, Chairman; Rabbi Simon L. Eckstein, Rabbi Samuel M. Burstein, Mrs. Myer Dunsiger, Emanuel Goldberg, Hyman Gould, Samuel Kizell, Mrs. Irving Lithwick, Bertram I. Loeb, Harold Shohet and Hy Hochberg.

Rabbis Endorse Campaign

The early founders and pioneers of this great Jewish Community of Ottawa were devoted and indefatigable self-sacrificing servants of the community weal. They did not glory in past accomplishments but always strove to nurture and enhance the future growth of the community. In the words of our Sages they were "chachamim" who were blessed with far-sighted vision, "roim of ha-nolad." They envisioned, therefore, an historic moment in the future of Ottawa Jewry when edifices would be built which would serve the diversified religious, educational, cultural and social needs of both young and old.

Hope and Challenge

Here was, therefore, a hope, a dream, a prayer and a pledge: To-day the challenge of building and expansion is also a pressing need and an urgent necessity.

The generations of the past join the generations of the future in the prayer that we of the present will contribute to the realization of a hope and the fulfillment of a dream.

The Jews of Ottawa have always demonstrated their confidence in the future of the Jewish people and its religion. Our support of Israel and overseas communities, of yeshivot and other schools of Jewish research and training, has set an example for other cities. In all of these campaigns, however, the success of the causes would have been realized without our help, tremendous on a per capita basis but small in absolute numbers.

There is one cause whose success depends solely upon us, one cause where we do more than join others but where we actually control progress.

Confidence in Future

In the support of local campaigns we not only demonstrate confidence in the future of the Ottawa Jewish community but guarantee that future. We now have an opportunity to make up for the neglect and wrongly emphasized values of earlier times by replacing a Hebrew school condemned as a fire trap over two decades ago with a structure that will inspire respect for Jewish institutions in the hearts of a growing generation, and by seeing to it that a branch of the Talmud Torah will no longer have to rent rooms from a secular school and require children to stand for two hours for lack of space in classrooms. It is within the power of our own pocketbooks and generosity, guided and bounded by the scope of our conscience, to make sure that the physical development and expression of Ottawa Jews shall take place under Jewish auspices and that our own buildings shall be capable of complete and rounded communal activities.

Let us not fail ourselves.

Pioneer Women Attend Boston Convention

A delegation of Pioneer Women from Ottawa attended the 32nd Biennial Convention in Boston recently, where representatives of 40,000 Pioneer Women from all over the world were gathered.

The theme of the Conference, besides financial aid to Israel, was the great importance of Jewish education for children, including the Hebrew language and literature, Jewish history, the study of Israel, celebration of holidays according to tradition, and the commemoration of Israel Independence Day and of the Uprising in the Warsaw Ghetto.

One of the featured speakers at the Convention was Yehudit Simhon, the mother of General Asaf Simhon who accepted the Arab surrender during the Sinai Campaign. She is, amongst other things, head of the Culture and Education Department of the Moetzet Hapoalet (Women's Division of the Histadrut).

The Ottawa delegation and observers consisted of Sophie Katz, Mrs. A. Reber, Lena Schechter, Anne Pepper, Rose Rafal and Molly Narwa.

Elect Histadrut League Officers

The results of elections held at the Annual Meeting of the Histadrut League are as follows:

President: Harry Weidman; Vice-President: Israel Shalom; Treasurer: Ralph Sternberg; Secretary: Norman Kalin; Trustees: Maurice Shabinsky, Peter Perel, A. Reber, P. Pikal; Immediate Past President: David Doctor.

Committee Chairmen: Cultural: Maurice Shabinsky; Ways and Means: Peter Perel and Harry Goldstein; Sick Visiting: A. Reber; Membership: Ralph Sternberg.

The group also wishes to remind the community that the facilities of the Histadrut Centre are available for rental. Enquiries should be directed to Israel Shalom at CE 6-7341.

To Form 39th Scout Troop

Efforts to reactivate the 39th Boy Scout Troop are now being made by a newly-formed Group Committee under the chairmanship of Jack Steinberg.

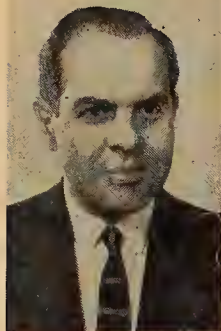

A successful Cub Pack is already in operation at the Jewish Community Centre under Cubmaster Sam Ages and his assistant David Maiman. Cub ages are 8 to 11.

The Group Committee is convinced that the formation of a Scout Troop will fill an urgent need and invites boys between the ages of 11 to 17 to become members.

Interested parents and prospective Scouts can obtain further particulars from Elliot Levitan at CE 5-2366, William Senman at CE 5-7222 or Jack Steinberg at CE 4-1588.

Vaad President Urges Support of Campaign

From earliest times, the Jewish people has placed the highest value on learning and education. The strict adherence to this policy was an important factor in the eventual rebirth of Israel and the strides it has made during the past decade in taking its place among the nations of the world.

The time-honored principles which have guided the destiny of our people remain unchanged and are of equal importance today. That is why we are in the midst of a campaign to provide the proper physical facilities for the educational and recreational needs of young and old.

It is within our power to determine the future development of our community and the provision of adequate facilities is basic to that development. In this regard, the campaign must be successful.

The Vaad Ha'Ir wishes to thank the leadership of the campaign and those who have already made their contributions. We feel confident that those who have not yet committed will maintain the high standards already established.

With The Youth Department

By Herman S. Roodman

Have you been down to our Community Centre recently on a Sunday afternoon? Every room on the ground floor is occupied by an enthusiastic youth club. October 20th marked the official opening of the current season when a mass activity program was featured following registration of the youngsters. The following Sundays saw the Centre bustling and bustling with an exciting and fresh schedule of activity.

JUVENILE DIVISION

The youngsters of the Juvenile Division are in command. Junior Junction finds the very young boys and girls enjoying story telling, songs, games and simple crafts. Several competent councillors guide their activities.

Those between 8 and 12 participate in a varied program of dramatics, dancing, arts and crafts and athletics. Quite a number will be found learning the skills and interests of the Cubs, under Sam Ages, or of the Brownies, under Mrs. Lillian Newman.

TWEEN DIVISION

Consisting of the youth in the 13-17 age category, the Tweeners use the facilities of the Centre and the Talmud Torah building for their clubs. Regular meetings are held by A. Z. A., B'nai B'rith Girls, the Councillees, ULPS, ALPS, K.I.D., Friendship Group, Societtes, Young Adult Club, Junior Hadassah and the B'nai B'rith Young Men. As one visits any one of these youth organizations, he is immediately impressed by the atmosphere of fraternity and fellowship which permeates the discussions and planning initiated by the young people themselves.

Encourage your sons and daughters to join one of the many and varied groups at the Centre. It will give them a sense of belonging. It will give them an opportunity of developing their initiative, service and leadership talents. Let us prepare and mould the youth of today into the good and useful citizens and leaders of tomorrow!

LEADERS' WORKSHOP

We are fortunate again to have as Chairman of the Juvenile Division the ever youthful personality of Bernard Lesh. In charge of the Athletic Boys' Group are Herbie Beles and Julian Wolfe, while Mel Scheeter is the instructor of Arts and Crafts. Barbara Smith and Marcia Weidman are the talented team who direct the girls' Dramatic Club. The following councillors constitute the membership of our Leaders' Workshop:

Marcia Ahramson, Mitzi Arhuck, Ethel Applebaum, Polly Baker,

Esther Bien, Julius Brozofsky, Herb Beles, Lorraine Chalefsky, Sheila Cook, Beatrice Greenberg, Ada Glustein, Sarah Glustein, Caly Gluzman, Penny Goldenberg, Max Greenberg, Bernice Greenberg, Beverly Goldberg, Shirley Halpern, Beverly Kavanat, Esther Landau, Barbara Molot, Sandra Nadelle, Sandra Nadolny, Rochelle Pleet, Allan Pleet, Gail Steinman, Barbara Smith, Sandra Schwartz, Melvin Scheeter, Rosalie Segal, Corinne Sadavoy, Judy Sanders, Maureen Shulman, Shirley Torontow, Marcia Weidman, Beverly Wolfe, Roslyn Weidman, Julian Wolfe, Carol Wexler and Susan Wise.

The opening session for the Leaders took place at the Centre on October 14, while on October 27 and December 29 a Leaders' Luncheon and Conference was enjoyed by the members of the Workshop. These young people are to be commended for the extent of their interest and co-operation.

Young Adults Conduct Active Program

The Young Adult Club of the Jewish Community Centre is a group composed of young men over the age of 21 and young women over 18. Its regular meetings are held every Sunday evening at 9:00 when the group gets together for dancing, social and other activities.

It has had a number of major social events this season which have been attended by well over 100 people. Aside from its regular program, special events coming up include a Monte Carlo night in February, a charity dance in March and a Preparation for Marriage Institute in April.

A howling league operates every Sunday afternoon from 5:00 to 7:00 p.m. at the Maple Leaf Bowling Alleys.

This year's executive is composed of the following: President, Jack Feldberg; Vice-President, Bea Greenberg; Secretary, Rochelle Klein; Treasurer, Barbara Roodman; Social, Morris Boxenbaum; Cultural, Israel Li-quornick; Athletics, Abe Murray; Publicity, Louis Sherman.

Young adults throughout the community are invited to participate.

Agudath Israel Wins Solomon Schechter Award

The Agudath Israel Congregation was the recipient of the Solomon Schechter Award at the International Biennial Convention of the United Synagogue of America held November 20. Rabbi Samuel M. Burstein accepted this highest award of the Conservative movement for his Congregation's adult education program.

The Solomon Schechter Award is presented every two years for excellence in various categories (youth activities, publications, community relations, social action) and each field is divided among congregations of three size groupings. Agudath Israel placed first in the adult education category for congregations having fewer than 250 members.

The award is the culmination of over five years' work in this field.

Morris Zagerman

To Form Council

All youth groups in the community have been invited to send representatives to a meeting to be held on Tuesday evening, January 14 for the purpose of forming a Youth Council, according to Herman S. Roodman, Director of Youth Activities.

The Council is to be representative of youth and young adult groups whether of a local or nationally-affiliated character. Its purpose will be to assist the constituent units in their programming, to strengthen their goals and to serve as a clearinghouse and coordinator. Membership in the Council will in no way disturb the autonomous fashion in which groups operate presently.

The organizational meeting to be held in the Board Room of the Jewish Community Centre on January 14 at 8:00 p.m. will concern itself with the election of officers and a discussion of ways and means by which the Council can best serve the member groups.

Need Comics, Pocketbooks, Magazines

As part of its community service program, the B'nai Brith Young Men have organized a city-wide drive for pocketbooks, comics and magazines which they will distribute to veterans in various institutions in Ottawa.

The group plans to cover the West End and Centretown on Sunday morning, January 26 between 9:00 and 12:00. Ottawa East, Eastview and Lowertown will be canvassed on Sunday morning, February 2 between 9:00 and 12:00.

If you can assist the boys in this worthwhile project, you are asked to have your books ready so that they can be picked up quickly. Should you care to have the pick-up call before the date set for your district, please call Bill Goldenberg, Community Service Chairman at CE 4-2308.

ISRAEL - THE YEAR IN REVIEW

By Bertram I. Loeh

During the past year Israel can look back with qualified satisfaction on substantial accomplishment.

She believes the West now is much more aware of her external problems. Her relations with the United States have greatly improved and there appears to be some restoration of confidence that the United States won't abandon Israel completely in favor of the Arabs. Israel's young but powerful army has had the experience of a major campaign and is now equipped better than ever to confront her Arab enemies. And Israelis believe their Sinai Campaign has thrown the Arabs far enough off balance to buy a year of time for the West.

Diplomatic Relations

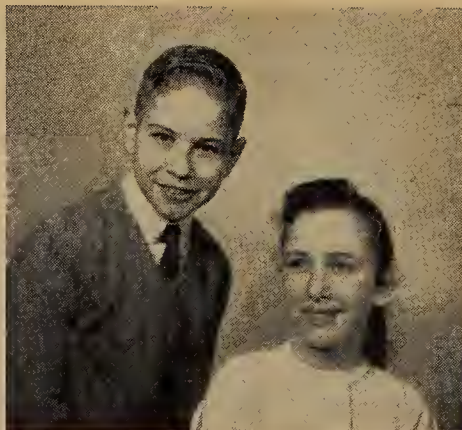

Israel hopes too to reestablish diplomatic relations with West Germany. A Cabinet crisis was created when the left wing cabinet members disclosed to the press that a secret delegation was en route to West Germany to negotiate an arms agreement. Ben Gurion's resignation followed but

President Ben-Zvi prevailed upon him to reform his coalition government.

More than 80 thousand immigrants were brought to Israel during 1957. Many acres of new land were developed, particularly in the Negev, pipelines from Eilat to Beersheba were completed and a number of new industrial ventures were launched. The Jewish population in Israel reached the 2 million mark.

Tenth Anniversary

1958 will see Israel observe its tenth anniversary—an event many people did not believe possible during the past decade. The country is in a jubilant mood and looking forward to an influx of many hundreds of thousands of tourists—and a major source of much needed hard currency. Israelis feel their future is secure and self-sufficiency is possible if they can have a breathing spell from war plus long term credit and foreign aid. Granted peace and with continued support from world Jewry, Israel expects the coming decade to be an easier one than the last.

NAMED DAY SCHOOL HEAD BOY, HEAD GIRL

Allan (Abraham) Boker, son of Mr. and Mrs. David Baker and Elaine (Clyde) Goldwater, daughter of Mr. and Mrs. David Goldwater are pictured following their election as Head Boy and Head Girl of the Ottawa Hebrew Day School by the student body.

Sumer by Kramer; Vaccine of Faith by Roodman; Fighting Warsaw. The Story of the Polish Underground by Korbonski; Faith Through Reason by Schwartz; The Cantillation of the Bible by Rosowsky.

The children's library is proving very popular with the young folks. There are many lovely stories, beautifully illustrated for the very young as well as exciting books for the older children.

The Library Committee is indebted to the Councillette Group of the National Council of Jewish Women who staff the Library on Thursday night and Sunday morning, and to Harry Kotlarsky who so ably serves as librarian on Tuesday night. Mr. Kotlarsky invites his many friends in the Public Service to visit with him in the Library on "Public Service Night."

Library hours are Monday and Wednesday from 2:00 to 5:00 p.m.; Tuesday and Thursday from 7:30 to 9:30 p.m. and Sunday morning from 10:00 to 12:00 noon. Come in and browse.
